

TW 26 T

HIGH PERFORMANCE SOFT DOME TWEETER
 Front plate foam completes perfect transient damping and wide angular coverage, its efficiency and power handling achieve easy high output.

- Nominal impedance : 8 Ω
- Sensitivity 2.8V /1m** : 92 dB
- Power handling : 100 W Program > 3500Hz
- Magnet / size : Ferrite / 88 mm
- Voice coil diameter : Copper / 26 mm
- Voice coil former : Alu
- Cone / surround : Coated fabric
- Mounting holes : 6 mm X 4
- Weight : 0.85 Kg
