

## ELAC Concentro Center

The name Concentro stands for the extraordinary in every respect. The Concentro Center closes the circle and lets you experience breathtaking surround sound.

### AS-XR technology

Characteristic, eye-catching and acoustically ideal: the crystalline diaphragm surface strikes the perfect balance between stiffness and damping.

### DCR technology

Since no two rooms are the same, midrange directivity can be varied with the help of the replaceable Directivity Control Rings included.

### StepX-JET

The coaxial configuration of the JET 5c tweeter and the aluminum midrange driver guarantees perfect sound placement and dispersion across a wide listening area.

At the center of something big: the Concentro Center paves the way to UHD surround sound and opens up new audio dimensions. The design features and technical details behind the success of the Concentro Series are now ported into a traditional center format. The convex shaped baffle, the trapezoid basic shape and the imposing dimensions combine organically with eye-catching results.

The long list of patented features and the performance of two 180 mm woofers guarantee exceptional sound. Ensuring effortless performance that can be scaled to fit the room: StepX-JET technology allows for perfect adjustment to suit the room acoustics and personal taste. Close your eyes and let all thoughts of technology melt away as you become part of something bigger.

The Concentro Center is available in black and white high-gloss finishes.

## CONCENTRO CENTER

Height	220 mm
Width	890 mm
Depth	305 mm
Type	4-Way, Bass reflex
Woofer	2 x 180mm Ø AS-XR
Midrange	1 x 50/130mm Ø Aluminum
Tweeter	JET 5
Crossover frequency	120   400   2600 Hz
Frequency range (IEC 268-5)	26 – 50000 Hz
Sensitivity	88 dB bei 2,83 V/m
Suitable for amplifiers from...to...	4 – 8 Ω
Recommended amplifier power	60 – 500 W/Channel
Nominal/Peak power handling	240W   300W
Nominal/Minimal impedance	4 Ω   3,0 Ω bei 60 Hz
Finishes	Black High Gloss, White High Gloss
Accessories	Bi-Wiring Set, Gloves

CONCENTRO

\* Loudspeaker stands optionally available
