

Fidelity Components

MCap

The **MCap® SUPREME** has been internationally acclaimed as the ultimate high-end capacitor. It is considered today by many users as a milestone in the modern audiophile capacitor generation. Its outstanding sound performance is achieved with a unique combination of advanced technologies: Special induction-free SUPREME winding technology. (see also page 9)

Its subtle fine gradation of the high tone range invigorates the entire sound production; voices and instruments take shape and become extremely diverse.

Technical specifications:

Dielectric: Polypropylene
 Dielectric strength: 1 200/800 VDC
 Loss factor: $\tan \delta = 0.0002@1 \text{ kHz}; 0.0001@10 \text{ kHz}$
