Pulsar Fusor DA

Ref. - A1DA
EAN13 - 5600217588008
Box - 62 x 62 x 62 cm
Weight - 5kg
Each Panel - 60 x 30 x 7,5 cm
Units per Box - 12

Features

Designed to perform on high frequencies, the Pulsar Fusor performs only on unidirectional fields providing vertical or horizontal multi-reflection especially when applied together in different positions, whether on the back wall, side walls, or ceiling.

The Pulsar Fusor panels achieve remarkable performance in Home Cinema's sweet spots and stereo imaging, allowing you to experience a brighter sound resolution. The Pulsar Fusor is also adaptable to your room's own ambience due to the possibility of using water-based paint, allowing the creation of new and personalized styles.

- ✓ High efficiency Diffusion and absorption
- ✓ Ease of installation
- ✓ Can be painted with water-based inks
